- TRCC Vision/Mission
- Purpose of the Traffic Records Coordinating Committee (TRCC)
  - History
  - Structure
  - Function
- Roles and Activities of the TRCC Executive Council
  - Future Meetings

Maryland Traffic Records

VISION

Safe Maryland roads free of traffic injuries and fatalities.

MISSION

Utilize quality management principles and emerging technologies to improve the quality, timeliness, and availability of traffic records data and systems that enable stakeholders and partners to identify and resolve traffic safety issues, advancing the Maryland traffic safety community to achieve zero traffic-related deaths.
