Dear Applicant:

This letter is in response to your inquiry concerning the procedure for establishing a licensed driving school or licensed/certified driver education school. Enclosed are the necessary forms and the web address to access the State regulations that govern the establishment and operation of a driving school or driver education school. That address is:

www.mva.maryland.gov/_resources/docs/comar-11.23.02.pdf

Please carefully review the requirements that are specified in the regulations. You must submit the following documents to the Motor Vehicle Administration:

- Non-refundable application fee of $180.00
- Completed application (school number will be provided by the MVA)
- Fire inspection approval for office (and classroom if applicable) on the MVA form
- Zoning approval for office (and classroom if applicable) on the MVA form
- Authorization for a criminal background check or, if not a Maryland resident, a criminal background check from the state of last residence. If applying for instructor license/certification, please follow the process for fingerprinting outlined in COMAR
- Copy of workman’s compensation insurance (even if no other person will be employed)
- Copy of general liability insurance
- Surety bond for $40,000.00 on the MVA form
- Proof of owner’s graduation from high school or GED or college degree
- Proof of state and federal tax ID
- A completed instructor’s application for at least one licensed (certified for driver education school) instructor with fingerprinting receipt from CJIS Central Repository
- A copy of the registration for each vehicle to be used for training (must be in school’s name)
- An original certificate of insurance that covers all training vehicles (must be in school’s name)
- An MVA vehicle certification form for each vehicle to be used for driver education
- A copy of the vehicle state inspection certificate unless the vehicle is new
- Corporation documents if applicable

A driving school not teaching the driver education course must submit a complete detailed copy of the curriculum as specified in COMAR 11.23.01 and a copy of the certificate that will be awarded to students who successfully complete their course. (The MVA provides those items for driver education schools).

A driving school license or driver education school license/certification is valid for two years and costs $135.00 (in addition to the $180.00 application fee). This fee covers the business office
and one classroom. The licensing fee will be collected after the application has been approved. Each branch location must be licensed individually, for two years, for an additional fee of $135.00.

Call (410) 768-7482 or (410) 424-3751 with questions.
