Attention: I/We certify the statements made herein are true and correct to the best of my/our knowledge, information and belief. I/We understand it is illegal for anyone to park in any parking space designated for a person with a disability, other than an individual who has submitted and obtained a certification from the MVA, that authorizes the use of a designated parking space. I/We also understand that the individual who has been certified to have a disability must have a current disability certification card in his or her possession when using a disability placard or plate.					
I further understand that applying for a disability placard or plate and by execution of this authorization, I give permission to my doctor to release to the Motor Vehicle Administration all medical information relative to the qualification requirements that established my eligibility to obtain the disability placard or plate. Additionally, I agree to release the MVA from any and all liability that may arise from the collection and storage of medical information, in the procurement of this application. This authorization will not expire unless all disability placards and plates in my possession are expired or I have returned all placards and plates for cancellation.					
Signature of Individual with Disability or Guardian of individual with disability				Date	
C. Disability Certification Information (doctor's use only - see disability codes on back)					
Please note if your patient has a temporary disability, you should only recommend a temporary placard for a period of 1-6 months. If an extension is required, your patient can apply for an additional period of disability, for up to six months. This will require the approval of the appropriate clinician. A permanent disability status should be reserved for conditions that will not improve.

Instructions:

Form Purpose: An individual with a disability may use this form to request placards, license plates and/or motorcycle plates that will allow a vehicle in which he/she is riding to park in a parking space reserved for the disabled. Two types of placards are available: Temporary Placards (red), which are valid for a period of up to 6 months; and Parking Placards (blue), which are valid for four years. An applicant may request a parking placard, license plate and motorcycle plates at the same time. See the Form Completion Instructions **below**.

Fee Information:

There is not a fee for the placard(s). A request for a disability plate and/or motorcycle plate requires the assessment of the substitute/replacement tag fee. Please submit your completed application along with the appropriate \$20.00 fee. If requesting a disability plate and/or motorcycle plate(s) and it's time to renew your vehicle registration, the registration renewal fee is also required.

Form Completion Instructions:**Section A – Requested Service(s)**

Please check the boxes as appropriate. An individual with a disability may apply for:

- One placard
- One regular disability plate
- One placard and one regular disability plate
- Two placards

In addition, up to two motorcycle disability plates can be requested with any combination listed above.

An individual with a Temporary disability may apply for:

- One or two temporary placards (red)

Note: The vehicle owner must be the individual with a disability in order to qualify for issuance of a disability plate. If the individual with a disability is not the owner or co-owner, you must apply for a disability placard.

Note: If your placard(s) have been lost or stolen, please check the appropriate box in Section A and indicate the number(s) of the lost or stolen placard(s). If your placard(s) were stolen, you must indicate the police report number and jurisdiction reported.

Parking Placard (blue) or (red) – Complete Sections B and C. A licensed physician, chiropractor, optometrist, podiatrist, nurse practitioner, physician's assistant or physical therapist must complete Section C (see Note below).

License Plates or Motorcycle Plates – Complete Sections B, C and D. A licensed physician, chiropractor, optometrist, podiatrist, nurse practitioner, physician's assistant, or physical therapist must complete Section C (see Note below). You may only request a disability plate or motorcycle plate(s) if the vehicle is titled in the name of the individual with a disability.

Transporters of an Individual with a disability may park in designated disability parking spaces by using the individual with disabilities parking placard. Transporters of an individual with a disability may not obtain a disability plate.

Note:

- A doctor's certification may not be required if the individual has a disability that meets the definition of code 6 or V.
- For a replacement placard, only complete Sections A and B. For replacement plates, complete Sections A, B and D.
- For temporary placards, Disability Code 10 is to be used.

Permanent Disability Codes 1-9

1. Has lung disease to such an extent that forced (respiratory) expiratory volume for one second, when measured by spirometry, is less than one liter, or arterial oxygen tension (pO ₂) is less than 60 mm/hg on room air at rest.	8. Has a permanent disability, that adversely impacts the ambulatory ability of the applicant and which is so severe that the person would endure a hardship or be subject to a risk of injury if the privileges accorded a person for whom a vehicle is specially registered were denied.
2. Has cardiovascular disease limitations classified in severity as Class III or Class IV according to standards set by the American Heart Association.	9. Has a permanent impairment of both eyes so that: 1) The central vision acuity is 20/200 or less in the better eye, with corrective glasses, or 2) There is a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field subtends an angular distance no greater than 20 degrees in the better eye. (See Note C)
3. Is unable to walk 200 feet without stopping to rest.	10. Temporary Placard (Red) requested Disability is not permanent but would substantially impair the person's mobility or limit or impair the person's ability to walk for at least three weeks, and is so severe that the person would endure a hardship or be subject to risk of injury if the Temporary Permit was denied.
4. Is unable to walk 200 feet without the use of, or the assistance from, a brace, cane, crutch, another person, prosthetic device, or other assistance device.	V. (Reserved for use by veterans with 100% disability) The Veterans Administration has certified by letter that the applicant has a 100% service connected disability.
5. Requires a wheelchair for mobility.	
6. Has lost an arm, hand, foot, or leg. (See Note D)	
7. Has lost the use of an arm, hand, foot or leg.	

Notes:

- A.** A licensed physician, licensed nurse practitioner or licensed physician's assistant may certify all qualifying conditions listed.
- B.** A licensed chiropractor, licensed podiatrist or licensed physical therapist may certify disability codes 3 through 8 and 10.
- C.** A licensed optometrist may certify only qualifying conditions regarding vision.
- D.** The person with a disability may self-certify the conditions listed under Disability Code 6 by appearing in person with proper identification. In this situation, only the disabled person's name and Disability Code must be recorded. If, however, a doctor certifies the loss of a limb, the doctor must complete all of Section C.

Visit your local MVA full service office with the completed form. If someone other than the applicant submits the application for Disability Plates or Placards they must provide a state issued ID. Applications may also be mailed with the appropriate fees to the Motor Vehicle Administration, 6601 Ritchie Highway, N.E., Glen Burnie, Maryland 21062. Attn: Disability Unit
