

Limited Speed Vehicle Certification

Year	Make	Model	Vehicle Identification Number
------	------	-------	-------------------------------

Limited speed vehicles will be registered as class A (passenger) or class M (multipurpose) vehicles and must have:
 A speed capability of more than 25 miles per hour but a maximum speed capability of less than 55 miles per hour.
 Warning Driving Restrictions Apply: A limited speed vehicle may only be driven on a highway where the speed capability of the vehicle exceeds the posted maximum speed limit by at least 5 miles per hour.
 A dealer who sells a limited speed vehicle to a Maryland resident is required to permanently affix an emblem to the rear of the vehicle base down. The required emblem must be a truncated, equilateral triangle; that is fluorescent green in color and has a red reflective border. This emblem must not be removed and must continue to be displayed by subsequent purchasers of the vehicle. I/we certify the vehicle described above meets the description of limited speed vehicles as described on this form. I/we understand all restrictions and emblem display requirements as stated on this form.
