

FAST-TRACK LICENSING

Get Legal – Get Licensed

If you do not have a Class M license this is your opportunity to get one *FAST*.

At the Bel Air MVA on Tuesday and Wednesday, April 21 & 22 ¹ the Motorcycle Safety Program will be holding a *FAST-TRACK Licensing* event ² where we will assist you through the licensing process by:

- Providing a Study Hall to help prepare you for the knowledge test;
- Administering the knowledge test;
- Provide coaching for the on-cycle skills test;
- Administering the on-cycle skills test ³;
- Administering the eye test; and
- Issuing a new license with the Class M, or a learner's permit ⁴.

We call it *FAST-TRACK* because:

- The learner's permit requirement is waived;
- The 14-day waiting period is waived;
- You will be allowed one opportunity to retake a failed test on the same day; and
- You could leave with a Class M license or a learner's permit.

FAST TRACK is available only to Maryland licensed drivers over the age of 18.

¹ *FAST-TRACK Licensing* will be conducted during regular business hours: 8:30 AM – 4:30 PM.

² Testing is by appointment only. To make an appointment at this location click on the link for the day you want [Bel Air MVA - April 21](#) or [Bel Air MVA - April 22](#). Walk-ins will be accepted only as space permits.

³ Applicants will be required to use their own street legal motorcycle. Applicants are expected to transport their motorcycle to the MVA legally. Motorcycles must meet all legal equipment requirements and pass a T-CLOCK inspection. Applicants must wear a USDOT compliant helmet and approved eye protection.

⁴ Applicants are responsible for paying the appropriate fee for the license or learner's permit.

For complete details go to the *FAST TRACK Licensing* page on our website
