

MEMORANDUM

Date: December 2, 2011

TO: All 3Hr ADEP Providers and Instructors

FROM: William Kraft, Section Manager
Driver Educational Programs

SUBJECT: Approved Instructors

Below is the updated list of **all** persons that have successfully completed the Safe and Sober instructor training program. These are the **only** persons authorized to teach the Safe and Sober curriculum. Any instructor whose name does not appear on this list is no longer approved to present the 3Hr ADEP. Any provider that does not employ one of the instructors appearing on this list must cease offering the 3Hr ADEP until such time as they employ an approved instructor. Instructors may not present the 3Hr ADEP (Safe and Sober) unless they are employed by an approved provider. The list reflects the name of the instructor and the name of the school the instructor is employed by. Schools with the indication of “**Not Approved**” are those schools that have not yet entered into an agreement with the Administration, and paid the required fees to provide the program in question, therefore are not approved to present the program.
