

**STATE OF MARYLAND
SOFTWARE CODE OF ETHICS**

Unauthorized duplication of copyrighted computer software violates the law and is contrary to the State's standards of conduct. The State disapproves of such copying and recognizes the following principles as a basis for preventing its occurrence:

1. The State will not permit the making or using of unauthorized software copies under any circumstances.
2. The State will provide legally acquired software to meet its legitimate software needs in a timely fashion and in sufficient quantities to satisfy those needs.
3. The State will enforce internal controls to prevent the making or using of unauthorized software copies, including measures to verify compliance with these standards and appropriate disciplinary actions for violations of these standards.

My signature indicates that I have read and understand this State of Maryland Software Code of Ethics. I understand that making or using authorized software will subject me to appropriate disciplinary action. I understand further that making or using unauthorized software may also subject me to civil and criminal penalties.
