Dear MVA Customer,

Thank you for providing us with your preferred email address. We will use this address to send you your next vehicle registration renewal notice in a few days. The email renewal notice will replace the paper notice you have previously received in the U.S. Mail. You are part of a growing number of Maryland Motor Vehicle Administration (MVA) customers who are helping to reduce costs for the State of Maryland.

You can continue to help the environment and save costs by completing your vehicle renewal online. Full instructions on how to renew online will be emailed to you. Thank you, once again, for taking the time to help the MVA **go green!**

Anywhere, anytime, MVA online. We are working everyday to make your interactions with the MVA efficient, secure and easier than ever.

This is an automated notice. Please do not reply. For more information, read the [FAQ](#) or [contact us](#).

**Did you know you can purchase a Bay plate or Ag tag for only \$20? The money goes to fund educational efforts and improve local communities right here in Maryland.**
